THE DEPUTY MINISTER IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (DEPTT. OF EDUCATION AND DEPTT. Grants were released to the State Governments/UT Administration depending on their requirement and as per the norms and financial pattern governing the various schemes of adult education.

In respect of three schemes i.e. Rural Functional Literacy Project, Strengthening of Administrative Structure and Post Literacy and Continuing Education funds amounting to Rs. 233.52 crores were released to the State Governments/UT Administrations on the basis of their requirements under these schemes. Out of this the States/UTs were able to utilize Rs. 187.44 crores. The main reason for the gap in the utilisation of the total grants released was due to the time taken in operationalising the Jana Shikshan Nilayams and restructuring of Rural Functional Literacy Project.
